Committees

FULL BOARD

The Board of Directors consists of nine (9) Directors, each elected by the Membership for a term of three (3) years, subject to a term-limit of twelve (12) years in office. The Board is responsible for establishing corporate objectives, policies and performance standards; measuring their achievement; and hiring and delegating authority to the CEO.

BOARD COMMITTEES

The Board has established a number of standing Committees plus others from time to time which are assigned responsibilities to assist the Board to carry out its mandate. The current Committees and their mandates are as follows:

- A. Audit Committee: The Audit Committee provides the Board with reports on matters related to accounting and financial reporting practices, risk management, and internal and external control procedures. The Audit Committee is charged with a number of statutory responsibilities, as required under the Credit Union Act. It also reviews and recommends the annual financial statements to the Board. It is responsible to ensure effective management of operational risk as well, that capital,

liquidity management and internal control systems are at acceptable levels. It is additionally responsible for monitoring compliance with the Credit Union's Restricted Party policy.

- B. Governance Committee: The Chair of the Board will be the Chair of the Governance Committee. This Committee has the responsibility to ensure effective corporate governance, including its structure, and the establishment of Committee mandates so that the Board's responsibility to the Membership is fulfilled. It is responsible to assess the performance of the Board and its Committees.
- C. Nominating Committee: The Nominating Committee is responsible to oversee the director Nomination, Evaluation, Selection and Election processes for Board Candidates, as well as the oversight of activities associated with the Annual General Meeting of Members, including the development of the Annual Report.

Meetings / Time Commitment

Board meetings are held monthly. It is expected that, in addition to the actual time spent at a Board or Committee meeting, a Director will fully review all materials (e.g., Board materials, Committee agendas and supporting material) provided prior to attending each meeting. Materials for all Board and Committee meetings are distributed via our board portal one (1) week prior to the scheduled meeting. Elected Directors are expected to be able to access the board package online through our board portal, review all materials ahead of time, communicate via email, and attend in-person and online board meetings.. While the amount of time required for this task will vary for each individual it is not unusual for a Director to spend approximately 3–6 hours preparing for a Board or for some Committee meetings.

While travel time to and from meetings will vary with each Director, it is another factor to be considered.

Attendance at all Board and Committee meetings is tracked and reported to the Board. While occasional conference calls or email communications are held to deal with special issues between regularly scheduled meetings, for the most part Directors are expected to attend meetings in person. Under exceptional circumstances the Chair may allow participation in a meeting via telephone conference.

The following meeting summary shows the approximate time commitment for each Director during the course of a year:

BOARD MEETINGS	Board meetings begin at 5 p.m. usually on the last Wednesday of the month. Allow 3 hours/meeting. The meetings have been held virtually through COVID.
ORIENTATION PROGRAM	For newly elected Directors; usually held following the election and no later than two months after having been elected. Allow minimum of one day.

Education & Participation

Luminus Financial considers training and development programs for our Directors extremely important to assist them in understanding the roles and responsibilities of being a Director of a Credit Union. In 2012 the Deposit Insurance Corporation of Ontario (DICO) set out minimum expectations for individual Director competencies which will require various programs be completed within certain time frames.

In addition, other in-house training sessions are developed for which attendance is expected. Each Committee regularly holds educational sessions during its scheduled meetings. The Board allocates funds annually for training and development purposes, and it is incumbent on each Director to consider additional opportunities for development wherever possible.

Luminus Financial expects our Directors to participate in various events throughout the year including credit union events, community events, and other events that we host throughout the year. The schedules are posted ahead of time.
